

China BAK Announces Conference Call to Discuss Fiscal Year 2012 Financial Results

SHENZHEN, China, Dec. 14, 2012 /PRNewswire/ -- China BAK Battery, Inc. (the "Company" or "China BAK") (NASDAQ GM: CBAK), a leading global manufacturer of lithium-based battery cells, today announced that the management of the Company will host a conference call at 8:00 pm Eastern Standard Time on Thursday, December 20, 2012, to discuss financial results for the fourth quarter and fiscal year ended September 30, 2012. The Company plans to release its financial results for the fourth quarter and fiscal year 2012 before the conference call.

To participate in the conference call, please dial the following numbers approximately ten minutes prior to the scheduled conference call time: 866-520-2327 or 212-444-0065. International callers should dial +1 (86) 10 5759-2800. The meeting number for the call is *90722525* (Press * key before and after).

Because the Company is now qualified as a smaller reporting company under SEC regulations, it is expected that the Company's Annual Report on Form 10-K for fiscal year 2012 will be filed by the end of December 2012.

About China BAK Battery, Inc.

China BAK Battery, Inc. (NASDAQ: CBAK) is a leading global manufacturer of lithium-based battery cells. The Company produces battery cells that are the principal component of rechargeable batteries commonly used in cellular phones, smartphones, notebook computers, e-bikes, electric vehicles, power tools, uninterruptible power supplies, and portable consumer electronics such as portable media players, portable gaming devices, personal digital assistants, or PDAs, camcorders, digital cameras, and Bluetooth headsets. China BAK Battery, Inc.'s production facilities, located in Shenzhen and Tianjin, PRC, cover over three million square feet. Safe Harbor Statement

This press release contains forward-looking statements, which are subject to change. The forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. All "forward-looking statements" relating to the business of China BAK Battery, Inc. and its subsidiary companies, which can be identified by the use of forward-looking terminology such as "plans," "believes," "expects" or similar expressions, involve known and unknown risks and uncertainties which could cause actual results to differ. These factors include but are not limited to: the ability of the Company to meet its contract obligations; the uncertain market for the Company's high-power lithium and other battery cells; business, macroeconomic, technological, regulatory, or other factors affecting the profitability of battery cells designed for electric vehicles; and risks related to China BAK's business and risks related to operating in China. Please refer to China BAK's Annual Report on Form 10-K for the fiscal year ended September 30, 2011, as well as other SEC reports that have been filed since the date of such annual report, for specific details on risk factors. Given these risks and uncertainties, you are cautioned not to place undue reliance on forward-looking statements. China BAK's actual results could differ materially from those contained in the forward-looking statements. China BAK undertakes no obligation to revise or update its forward-looking statements in order to reflect events or circumstances that may arise after the date of this release.
